WEDDING RENTAL CONTRACT

Capacity

For functions that will be held exclusively indoors, group size is limited to (150) guests for hors d'oeuvres or standing buffet reception and (70) guests for a seated dinner. The gardens can accommodate (200) guests.

Rental Information

The rental fee covers only the rental of specified space. The areas included in the rental are as follows: the outside Gardens, and inside the House the Ground, Main and Second Floors.

The Client will provide all other services for the event including a licensed and insured: full service Charleston event planner, caterer, florist, musicians and bartending service, along with tables, chairs, linens, tableware, and tent rentals.

The rental secures the house and gardens for a 5-hour event, exclusive of setup and breakdown. Additional hours may be purchased at a rate of \$350/hr. The house will open for the Bride's use at 10:00am on the day of the wedding. Monday through Saturday events must end at 10:00pm; Sunday events must end at 7pm. The House closes 1-hour after the event, breakdown may continue outside. The rental contract must be signed by the Client and accompanied by the deposit. Client must be present at the event.

The House contains many valuable antiques and other furnishings. No open flame candles are to be used inside. Protective glass tops and table pads may not be removed. Flower vases, food and drinks are not allowed on unprotected surfaces. No thumbtacks, nails, tape or wire may be affixed to any part of the property. Flowers are permitted to float in the top two tiers of the fountain, provided they are removed at the end of the event. In cooler months, gas log fires in the fireplace are available by special request.

Event Planner

Due to the size of the property and event logistics at the Bennett House we require the use of a licensed, full service Event Planner. The planner must be approved in advance by the House Coordinator and the planning contract must be for full services planning. If the planner has not worked at the Bennett House in the last 2-years they will be asked to meet with the House Coordinator before approval. The client needs to submit the planning contract to the House Coordinator by (45) days after signing with the Bennett House or your deposit could be returned.

The Event Planner must read and initial each page of this contract and must also sign the Event Planner Agreement (30) days prior to the event. At (30) days the Planner is also required to provide a timeline, tent layout, floor plan and delivery schedule for a final review.

A final walk through will be conducted with the House Coordinator at the end of the event with a checklist to ensure proper clean up of house and grounds is complete. The Event Planner is required to stay for the entire event and final inspection. Failure to do so will result in full forfeiture of the Client's security deposit.

It is the responsibility of both Client and Vendors to leave the House and Grounds in the condition that it is found to avoid full forfeiture of the Client's security deposit.

Payment

The rental contract needs to be signed by the Client and accompanied by 50% of the rental fee to guarantee the event date. The 50% deposit will secure your date and is *non-refundable* for any reason. The remaining balance is due (6) months prior to the event. Payments can be made by check or any major credit cards; no processing

fee is added. If making a payment by check, please make it payable to **The Governor Thomas Bennett House** and reference Client's name and wedding date on the check.

Security Deposit

A \$500 refundable security deposit check should be written as a *separate check* and is due (30) days prior to the event date. The full amount of the security deposit check will be withheld and applied to any damages to the property that are incurred during the event. This includes but is not limited to event time overages, excessive clean up, moving of furniture or paintings from the walls without permission, or failure of Wedding Planner, Caterer or Vendor to check out with House Coordinator following the event. The security deposit check will be returned to Client, following completion of inspection. The client's security deposit will be forfeited due to any damages to the property at the time of the event and billed for any additional repair costs over and above the deposit amount.

Cancellation Policy and Refund Schedule:

- 90 Days or greater prior to event - 75% of the remaining balance
- 60-89 Days prior to event - 50% of the remaining balance
- Less than 60 days - forfeiture of all funds

Request for refund and cancellation of event must be received in writing to the attention of:

The Gov Thomas Bennett House

Attn: House Coordinator

69 Barre Street, Charleston, S.C. 29401

Personal Event Insurance is required to ensure your event can happen at the Gov Thomas Bennett House. Riders can be added to your personal insurance or separate plans can be purchased online.

Security Officers

A security officer is required for all wedding events and will be posted at the front entrance of the House on Barre Street during the time of the reception. The cost of the security officer for a 4-hour is included in the contract price. Security is provided by the City of Charleston Police Dept and scheduled by the House.

Tents

Tents are not included in the rental fee of the venue. Because this is an outdoor venue, tents are recommended on the side lawn adjacent to the crescent garden for receptions. A diagram of the tent layout, along with the setup and breakdown schedule, must be approved by the House Coordinator (30) days prior to your event.

Permanent tent anchors are in place on the side lawn for use of 40x70 or 40x60 framed tent, and a 60x60 sailcloth tent. A 20x60 can be added to the framed tents for full lawn coverage. Please refer to the tent diagrams on the website. No other tent sizes will be permitted. It is recommended that tent legs are 10ft tall to give the best view of the Fountain Wall on the Side Lawn, especially if cake cutting or other wedding moments will take place there. The Crescent Garden in front of the House may be covered by a 40x55 tent in the case of inclement weather.

The Gov Thomas Bennett House requires tent shares for back to back event days. The House Coordinator will put both wedding planners in touch to arrange the tent sharing details. The first event to book will dictate the tent sizing but we encourage cooperation between all parties.

It is advised that tents are used when there is a chance of rain in a forecast that is 40% or greater. We make every possible effort to have the grounds in perfect condition for your event. We also have a responsibility to

our clients whose events follow yours. As good stewards of the property, we maintain the right to make the final decision on the addition of tents and/or flooring at the client's expense pending inclement weather. This decision is made only for the protection of your guests, our property and to ensure a successful event.

The Gov Thomas Bennett House is not responsible for tent permits and liability if not obtained. Permits are the responsibility of the Client, Planner and Tent Vendor.

Parking

Complimentary parking is available for evening and weekend events in the Barre Street Parking Lot, adjacent to the House. Parking is available after 4:00pm on weekdays and 9:00am for weekend events.

A 1-hour rehearsal may be held the day before the wedding. Please consult the House Coordinator for available times.

There is a baby grand piano located in the foyer that may be used at no additional cost. Dancing is absolutely not allowed inside the House to protect the historic and structural integrity of the building and piazza.

Non-amplified or low-amplified music is allowed in the crescent garden. Bands/DJs are allowed to provide amplified music on the side lawn only. The House Coordinator has the discretion to ask the band/DJ to lower the music if it is too loud or inappropriate. The House is in a residential neighborhood and all events/activities planned for outside areas must be of a character that will not disturb neighbors. *See Charleston County Noise Ordinance Codes for Residential Neighborhoods.*

Due to local area noise ordinances, events are required to end at 10 p.m., and a decibel level of approximately 60 decibels must be maintained for amplified music. Sorry, no exceptions!

All bands and DJs must be approved by House Coordinator prior to booking. The band must return the signed Musicians Contract (30) days before the event date and understand our noise level restrictions.

Any fines incurred for not complying with this ordinance are the responsibility of the client.

Hazardous Weather Conditions

The Gov Thomas Bennett House is an outdoor venue. Weather conditions are unpredictable and a rain plan should be in place if needed. In the event of a hurricane, tornado, severe thunderstorm, etc., the owner/operator reserves the right to mandate taking shelter indoors or to evacuate the premises for the safety of the guests.

Roper St. Francis Healthcare Policy

The City of Charleston Tobacco Free Medical District has ruled the downtown location for MUSC and Roper Hospital as a Tobacco Free Zone. This zone extends beyond the House and onto Barre Street to Bull Street. Tobacco use of any kind on the street is prohibited in this area. Smoking for guests during events must remain inside the gate on the property in the designated smoking area provided. There is absolutely NO smoking allowed inside the House!

Handicap Access & Service Animals

The main level of the house is handicapped accessible by means of an elevator/lift in the kitchen. There is a single handicapped parking space adjacent to the elevator entrance for the purpose of accessing the elevator. Please notify House Coordinator if handicap assistance will be needed for the event.

Only service animals are allowed on the premises during an event. The House Coordinator must be made aware that a service animal is needed on the premises during an event, and permission is obtained. Pets are not permitted in the House or on any of the grounds surrounding the house or on any of the property owned or leased by Roper St. Francis Healthcare.

Terms and Conditions

All terms of rental are subject to change without notice. Although every attempt will be made to provide the house, fixtures and equipment to be in good condition and in working order, certain conditions are beyond control. The Owner does not guarantee and bears no responsibility for equipment or fixtures failure, or unsuitability of any portion of the house and garden due to act of God, natural disaster, fire or other catastrophes.
